1/19/07

Vol. 26 __, No. 29 __

Editor: Mark Kolier

Guests/Visiting Rotarians (Include if any) – Stephanie Johns (first meeting)

Announcements

1. Steve O'Sullivan bench at Wilton Post office: Bill Meehan has all ready to go regarding installation. All we need is a little thaw.
2. Alyssa Ray will represent our club at the 4 way speech contest finals at PETS this Saturday January 20th. Both Bill Meehan and Mark Kolier are to be on hand.
3. Senior Fire Protection Plan – just one more request to complete but the project has been a big success. Thanks to Pat Russo!
4. Dictionary project thank you letters from 3rd graders was passed around.
5. Craft Fair planning is gearing up. It will be held on May 26 this year.
6. First Selectman Brennan will attend our 1/26 meeting.
7. District Handbook printed by Paul's Prosperous (but not on the new press which is now out of the box!).

Program

Sandy Dawson of the Stamford Regional Agriscience and Technology Center at Westhill High School addressed the club. Students from 8th – 12th grade are invited and urged to consider this very worthwhile program for those inclined toward the agricultural sciences. 105 students from all over lower Fairfield County currently attend this adjunct school to Westhill High School in Stamford. There are no Wilton students in the school but Sandy would like to change that and have at least 2 students from the Wilton School consider enrolling. They are members of the FFA (Future Farmers of America) which has been modified to meet today's requirements and is the largest youth organization in the world. If you are interested in learning more go to www.stamfordpublicschools.org or call (203) 977-4974.

See you next Friday at the SilvermineMark
