Today's Program:

Mary-Jane Foster, CEO of the Bridgeport Bluefish Baseball Club, gave us an interesting insight into the team's history and its ambitious plans for the upcoming season. Highlights include the hiring of former Yankee pitcher Tommy John as club manager; hiring of a new General Manager; addition of Pete Rose Jr. to the line up; and a new approach to sales, marketing and promoting the team (attendance has been below expectations the past few seasons despite having the best record in the independent Atlantic League). Mary-Jane and her husband are part of an owner's group that bought the ball club back from other investors last year. Perhaps we'll have an outing at Harbor Yard this summer. Opening day is May 4th. For more information, go to www.bridgeportbluefish.com.

See you FridayBill
