### Program: Wilton filmmaker Megan Smith-Harris

Ms. Smith-Harris, President & Co-Owner of Pyewackitt Productions – an independent television and production company here in town, began her presentation by describing her dedication to creating documentaries with Social Impact.

Her latest project - formerly called 'Boy / Blue' has been renamed and is now called 'Sit, Stay, Love'. It concerns a boy – David and his Autism Assistance Dog - Jonah. Jonah came from an innovative dog breeding/training program created by Patty Dobbs Gross.

Megan told us about a shocking rise in the incidence of autism - now 1 in 68 children is on the autism spectrum. Dogs like Jonah are pivotal in providing a child a calming influence and a path to successful socialization. Jonah was bred by a
