**Announcements**

1. Pat Russo announced that the state had demolished our "Adopt-A-Spot" sign during the plowing season. He rescued what is left of it and is going to refurbish it, as replacing it would be rather costly. Pat also announced that the smoke detectors are in and he will bring all of the supplies to next week's meeting.
2. Bill Glass asked everyone to email him their renewal ads for the Craft Fair Program Book.
3. Frank Spencer, our President-Elect is at "PETS." A list was circulated for club members to sign up for positions for next year.
4. It is time for the Board to make recommendations for club awards and district awards for our annual meeting in June.

**Program**

For our program today, we had the induction of Susan Bettsworth from the Wilton Family Y, by the venerable Ron Barlow. Welcome Susan!

See you on the 18th at Marly's.....Carol
