Program

Fire Marshal Dave Kohn and Fire Inspector Rocco Grosso of the Wilton Fire Department thanked the club for its outstanding 3 year old program of installing/replacing lifesaving smoke detectors in the homes of senior citizens. They spoke about the proper way to install and test a detector, and discussed some of the new technology in this area, including a detector that can record your voice to announce an emergency. For further information on home fire safety, check out the WFD web site, www.wiltonfire.org

See you next Friday at the Sky Bar and Grill in Wilton (opposite Town Hall).....Bill
