**Guests/Visiting Rotarians**

Twelve Rotarians were in attendance (no foolin') with the meeting presided over by President Luis Garcia, who bought a round for attendees to celebrate the christening of his new grandson, who has been visiting from California for the past three weeks.

**Announcements**

1. Bud Boucher reminded everyone that we will be selling hot dogs at the library book sale on April 9<sup>th</sup> from 10:30-2:30. All proceeds from the gastronomical delicacy go directly to the library.
2. Richard Kent announced that his annual "Envelope Stuffing Party" will be next week. This event will be at the Fairfield County Bank conference room at 5:00PM – date to be determined.

**Program**

While there was no scheduled program today, this Rotarian will vouch for those in attendance and say that an enjoyable lunch with laughs and camaraderie was enjoyed by all.

See you on the 9th at Marly's.....Carol
