April 8, 2011

Vol. 30, No. 37

Editor: Karen Strickland

President Luis Garcia presided at the meeting, with 17 members in attendance.

Announcements

Matt asked for a vote from the club as to whether we want to apply for a Rotary International pilot program to include corporate memberships as well as individuals. Company would become the member, and any person working there could attend our meetings. Unanimously carried, Matt will follow up.

Richard announced envelope stuffing party for Craft Show to be held 5 PM 4/13 at Fairfield County Bank. Please try to attend.

Wilton Rotary was listed in the High School Jazz Club Symposium program for our donation to them.

Bud asked for volunteers to help cook hotdogs at the Library Book Sale this weekend. Two shifts are available, please contact him if you can be there.

Karen reported that she and Stephanie Barksdale traveled to Las Vegas last week to visit Pam Lucas. Pam is alive, well, stress-free and enjoying the casinos and the sunny, dry, 75 degree desert weather. She sends greetings to club members, but doesn't miss the cold weather or cost of living in CT.

Program

The two wonderful women from Korea kindly returned to complete the presentation they began a few months ago when time ran out at the meeting. They wore beautiful traditional dresses, brought tasty goodies and lots of literature, and showed a very interesting video about the development of the Korean language Hangul, unique skyscrapers designed by a Korean architect, the shipbuilding industry where Hyundai is #1 in the world, and the country's leadership in IT, smart phones, robotics, and electronic educational materials.

See you next week!

Karen
