**Program:**

Our guest this Friday was our exchange student Lucy; she had been in Wilton since last August and has been the guest of three host families in town. Lucy travels back to Chile next Friday to start preparing for her college entrance exam. Lucy was able to visit several cities with her host families such as New York and Florida and has enjoyed her time with all three families. Lucy mentioned that this experience has helped her mature and she feels more independent and has been more comfortable taking care of herself vs relying on her family to do it. Lucy will be a Rotarian when she's older and believes in the Rotary message of helping others. Lucy has made several friends during her time at Wilton and hopes to stay in touch with them.

**\*\*Next Meeting on May 1<sup>st</sup> at Marley's**
