Program

Part I: Taylor McCurdy, our outbound Rotary Youth Exchange student from Wilton, spoke to us briefly about his just concluded 9-month experience in Chile. He will return next week with a more formal and complete presentation.

Part II: Barbara Newland, Marketing and Sales Manager at the Greens at Cannondale, led us on a tour of a new facility opening this summer on their campus called the 'Residence at Cannondale.' The Residence will provide assisted living in a small intimate setting, reminiscent of a New England Bed and Breakfast. Apartments will include garden access or balconies for added pleasure. The building is designed to accommodate both couples and individuals with a private bathroom for each bedroom. For further information, contact Barbara at 761-1191, or check out their web site, www.thegreensatcannondale.com.

See you next FridayBill
