Patty announced that our Adopt-A-Spot would be planted on Sunday, and asked for a couple of volunteers to assist her and her brother.

Patty also reminded everyone that the Annual Dinner is on the 21st and to please sign up if you have not already done so, so that we can give a count to the club.

Bob announced that we made \$1300 on the Rose Sale.

Frank addressed the club on the importance of being a sustaining member and asked everyone to consider donating at this level annually.

Frank also noted that we received thank you notes, from the recipients of the scholarships presented by the club, at the high school awards ceremony on May 30th.

He also reminded the board that there will be a meeting on the 14th at the Wilton Bank at 8:00AM.

Frank, Pat, and Richard met with First Selectman, Bill Brennan regarding signage, the carnival, and potential members from the town who may be interested in joining Rotary.

There will be no meeting on June 22nd or 29th, and the first meeting of Wendy's administration will be July 6th.

Program

Our speaker today, was Police Officer of the Year, David Hartmann. Officer Hartmann is a Wilton native, whose childhood dream was to be a police officer in Wilton. A graduate of Marist College, he has been a member of the Wilton Police Department for the past 15 years. He was selected as the Officer of the Year after being nominated by his peers and his superiors. In addition to his patrol duties, Officer Hartmann is a certified child car seat installer, and an accident investigator. He said that being named Office of the Year was a great honor and that he takes great pride in bridging the gap between law enforcement and the community, by meeting and getting to know the people of Wilton.

See you on June 15th at Marly's.....Carol
