A good showing today as sixteen members of Wilton's finest service organization (by my count, Boucher, Brown, Burnham, Depthereos, Dulberg, Goldman, Johnson, Kent, Khouri, Lavin, Mais, Mills, Nigro, Russo, Tai-Lauria, White) found their way to Marly's on a pleasant, seasonable June day.

Announcements – Rose sale next Friday. We will meet for lunch at Marly's then head to Trackside to pick up roses. Last chance to buy roses for distribution is early Monday. Please buy more than you have sold so far, and sell them next week.

Other announcements – The installation dinner is Thursday June 22 at Rolling Hills. You can sign up on the club website. Payment beforehand would be appreciated. You can do so on the Club's website. John Hendricksen will be officiating at the installation of next year's officers as he has done for many years in the past.

There is a Rotary golf outing Monday (to benefit Trackside). Jay reported that John Lemke is coming out of retirement to make a guest reappearance for our team.

Bud pointed out that you still have until June 30 to make a donation to the Rotary Foundation and have it count for this year's appeal. If you have not done so already, please contribute!

Pat says it is time to consider finding sponsors for the carnival in September.

Bud floated the idea of having the meal at some or all of our meetings catered at the American Legion hall.

Pat was the winner and the loser for the 50-50 raffle. So the pot continues to grow.

Our guest today was Alvaro Riguelme Barrueio. He is finishing his senior year at New Canaan High School as a Rotary exchange student from Lenares, Chile (about 200 miles south of Santiago). He has had a good year and has enjoyed his time here very much. (Our club and the New Canaan club co-sponsored him with our District.) Unfortunately his computer lost its power right before his presentation and he could not show us the slides he had prepared for us.

See you Friday at Marly's and Trackside

Paul
