### **Program**

Officer Richard Muth, 18 years on the Wilton force, and Chief Ed were our guests. The police department very much appreciates the Rotary Club sponsoring the annual police awards—this year honoring many officers and Officer Muth as the Officer of the Year. Chief Ed spoke about all the things the police do in town including the Citizens Police Academy, of which Stephanie and Carol are 2 of the first graduates. The Academy will be held next fall so if you are interested, contact the police dept. The department has received its tier 1 accreditation with the state (great for our small dept) and will be fully staffed this fall. Fines will be bigger for cell phone use, but all communities are not cracking down so hard to regulate---please stay off you hand-held phone in Wilton. But of course, most of the discussion and talk was about TRAFFIC!!!

***See you tonite at the Club Pam***
