**Vol. 36, No. 1**

**Editor: Paul Burnham**

---

Ten members of Wilton's finest service organization (Brown, Boucher, Burnham, Dulberg, Edwards, Freedman, Goldman, Johnson, Lavin, Russo) gathered for a pre-holiday weekend lunch meeting for Bud's first meeting of his year.

Christene did a bang up job with the 50-50 raffle, hiding the joker up her sleeve evidently – Beth's weekly \$10.00 gave her the winning ticket (again), but resulted in her drawing the six of spades. Again a LOSER! Now about \$790 in the pot for the winner. (Can't win if you don't come to meetings!)

Discussion turned to the Carnival – which will be taking place the weekend of September 16, 17, and 18. There was enthusiasm for the idea of raffling off a children's bicycle as an additional fund-raising opportunity. Pat advised that Rose Careccia will be the fund-raising chair and will be charged with making this happen.

The website, facebook and communications committees all met and will be issuing reports in the next week or two.

No speaker today, but we did get a lot done.

***See you Friday.***
