Vol. 31, No. 2

Editor: Karen Strickland

President Frank presided over the meeting today with 15 Rotarians present and 1 visiting Rotarian, David Santucci from Danbury Rotary.

Announcements:

Pat talked about the new location of our Adopt-A-Spot at Wolfpit and River Road (moved from corner of Drum Hill and Ridgefield Rd). This site formerly belonged to Security Solutions and has more visibility than the previous one. Need to assemble a work party to get it in shape. Bob Mills, Luis, Pat, and whoever else is available this Sunday AM will start clearing the space to prepare for new plantings and putting up the sign.

Bill Glass asked anyone who has not yet paid for their Craft Show Program ad to please do so.

Bob Mills asked how everyone liked the roses from the Rose Sale. There were some complaints about the quality, so if you have comments, please let Bob know for next year's planning.

Frank Spencer has been approached by New Canaan Rotary about sharing the cost of a memorial bench for Rick Kellam, since Rick was a member of both clubs. The bench would be located in New Canaan and our share would be \$500. Decision needs to be made whether to go ahead with this or do something separate in Wilton to remember Rick.

The Board meeting is scheduled for 8 AM Thursday, July 21 at Wilton Bank. Frank Lugossy from Vintage Wines will be there to make a short presentation on how the club could do a wine tasting fundraiser.

Program:

Since the speaker was unable to make it, Frank asked everyone for ideas on new fundraising events. Several things were suggested including raffles for home heating oil or a high value VISA card, a reverse auction, an "Antique Roadshow" event, drive-in movie. It was agreed that a committee should be formed to outline the parameters and determine a specific cause we can say we are raising the money for. Bob, Bud, Pat, Luis and Karen said they would help.

NEXT MEETING: Friday, July 22, 2011
