Today's Program

We were pleased to welcome Anthony DiLauro, MSW, Executive Director, and Kim Killoy, Director of Development and Communications, of the Human Services Council (HSC) of Norwalk. They spoke to us about the history, mission and the many services provided by the HSC to its constituent towns, including Wilton.

Overview

For over seven decades, the Human Services Council has identified unmet community needs and people living and working in our communities. Throughout this time, its initiatives have focused on alcohol and drug prevention, supportive housing, child advocacy, homelessness, hunger, medical and behavioral healthcare for children and adolescents, volunteerism and mentoring. Collaborating with other organizations, the HSC serves over 8,000 children, families and individuals each year. Web address: <http://hscct.org>
