Announcements

1. President Victor thanked all those who had already signed up for the carnival and asked for more volunteers. The entire weekend will be wrist bands versus tickets. Please wear your Rotary shirt. Carnival is Sept 25-27th. No lunch meeting Friday.
2. President Victor noted that we had tried the Greens for 3 months as was requested/suggested and now the Board has looked into other options. Those options include Hilton Garden Inn for \$20; Wilton Library catered for \$14 or so; or Portofino's for \$19. We will most likely try Portofino's for the Friday after the carnival.

Fun & Fines:

Larry S. recently celebrated his 30th wedding anniversary. Bill G. was thrilled to see Bud B eating BOSTON CRÈME PIE! Ed A. was sad for the death of Mary Travers of Peter, Paul and Mary (I think). Pat S was happy for something but unfortunately I missed it. Victor was happy for the fine company he had at his table. Zelie P. was happy to have seen Daniel Craig and Hugh Jackman in the flesh –hmmm. Kathy L. was not sure if she was happy to go see Next to Normal with her mother-in-law or not!

Program

Zelie Pforzheimer, President of the Wilton Playshop, was pleased to tell us that the Playshop was now financially sound thanks in part to a grant from the Rotary Club. She said this year's season includes Pippin, The Effect of Man on the Moon, and the Italian American Reconciliation. There will also be a benefit showing of Green Briar Ghost which is a new musical written by Clay Zambo. Clay said this is based on a true story of a newlywed couple. The wife is found dead one night and the husband is found grieving at her side. The death is ruled murder by ghost! This show was granted a Most Promising award and may go to Broadway. The benefit showing will be October 23rd and 24th. For more info: www.wiltonplayshop.org.

See you next Friday at Greens at Cannondale..... (Stephanie)
