Guests/Visiting Rotarians (Include if any)

No guests and a SMALL crowd

Announcements

Board meeting was held and the club finances are in good shape due to last years good fundraising efforts. We will have to work on those for this year. Nov 10 is scheduled for "Annie and the Wonder Band" children's concert and Karen I heading up that committee—this will replace the Oldies show.

Richard Kent is working on a possible Summer Concert Series; contact him if you would like to help.

Amber Alert is going strong and will be at the event on Nov 10. Ray will continue to look for sponsors and man power.

Program

Susan Monteleone and Steven Famiglietti joined us for the State of CT Board of ED and services for the blind. Quite interesting the programs and assistance available from the State to those blind or legally blind. Steven spoke about his job and work at NEAT-New England Assistive Technology Marketplace in Hartford. They help people with all disabilities, not just blindness, but his focus was working with the blind and he came with his guide dog, Whitley and was passionate about assisting with vocational services, job placement and even equipment. His group rehabs old/broken equipment and gets it to those who can use.

See you next Friday at the SilverminePam
