Program:

Kathy Leeds introduced our speaker, Maurice (Mo') K. Segall, who is An Attorney Mediator. Kathy knows Mo' to be someone who gives generously of his time doing pro-bono work for social services and other non-profit organizations. Today he outlined his 18 years experience as a lawyer and that he has opened an office at 95 Old Ridgefield Road in Wilton. Not therapy, Mediation is a less expensive non-adversarial way to resolve divorce (and other) process issues. 90% of divorce cases settle out of court. Mediation is designed to help parties retain more after-tax dollars.

** See you next Friday (WITH OUR DISTRICT GOVERNOR CHIP LEWIS) at the Silvermine
