October 22, 2010

Vol. 30, No. 16

**Editor: Stephanie R. Barksdale  
(for the final time as a Wilton Rotarian!)**

**Attendance:** 18 ½\* of 48 (38%).

*Guests included Roger Ackley from Minnetonka Minnesota Rotary and his friend John Paterson from Ridgefield and Susan Bettsworth\* whom I have noted in the attendance is a ½ member because I believe we are only awaiting her paperwork from Rotary to induct her?*

### **Announcements**

1. President Luis was very pleased to announce that the Rotary Carnival was able to net almost \$16,000 this year – double the previous year!
2. Last week Michael Crystal, the guest speaker, donated \$100 back to the club from his book sales.
3. Cliff J. found out about an organization called Angels Food Ministry that sells food for a family of 4 at \$31 per week so we might donate to this to get our Thanksgiving baskets this year. There are 107 families in Wilton collecting food from the food pantry.

### **Fun & Fines:**

Ron B. was happy to be back to the club – his chauffeur Frank S. had knee surgery and so was unable to get him to the club meetings. Jay D. went to his 50<sup>th</sup> class reunion. Bud B. thinks the Yankees will come back against the Rangers. Frank S. was \$100 worth of happy that he had some Rotary friends who came to visit him while undergoing rehab on his knee. Roger from MN mentioned that his club has a golf outing annually to raise funds for their Food Shelf.

**Program**

Unfortunately Mac MacGregor, who was supposed to be our speaker on the Haitian housing project is still in Haiti having a difficult time getting a flight out. We will have him back when he gets back in the US.

***See you next Friday at Marly's..... (Stephanie)***
