Announcements

1. Pat announced that the sign up lists for the Thanksgiving Baskets would be passed around at today's meeting. He also asked for volunteers to deliver food, provided by the Womens' Club, to 20 seniors on Thanksgiving Eve and Christmas Eve. Pat is also working on a sheet rock project in the home of a senior in need.
2. Karen announced that the food pantry added two new families this week, and 90 children would be on the list for holiday gifts. Karen also informed the club that right after today's meeting, a few members of our club would be interviewing a young woman who is interested in spending her senior year of high school in Argentina.
3. Bud announced that there will be a meeting regarding the wine tasting event, next Friday at 11:30AM.
4. Paul announced that Rotary will be manning the water station for the Chamber's 5K Road Race this Sunday, and asked for volunteers to help him out.

5. Frank announced that he and Wendy attended the Council of Presidents on Saturday, and that our club needs to focus a bit more attention on the Rotary Foundation.

Program

Our “speaker” today was Steve Russell, musician extraordinaire. We were treated to a very entertaining program in which Steve performed on the harmonica and guitar, both at the same time! He also serenaded us with the blues tunes; “Train Time,” and “Rollin’ and Tumblin.” Today’s program was a little different than our usual, and this “Drummer” thought it both fun and enjoyable!

See you next week at Marly’s.....Carol
