Announcements

1. **Thanksgiving Baskets** Pat Russo is coordinating collection of food items for the baskets. Everyone is encouraged to sign up and help out.
2. **Norwalk Rotary Club Project** Bud Boucher relayed the interesting details on how Norwalk actually received money from a club in Korea.
3. **BIG NEWS!!!!** Today was the last meeting for both Stephanie Barksdale and Inaam Baz. Both ladies are moving on towards better things. Both Stephanie and Inaam have contributed tremendously to the Club and community. They will be missed and we wish them the best of everything.

Program

We had a very interesting presentation on Korea given by Korean Spirit & Culture Promotion Project. As we enjoyed Korean treats, the presenters, in colorful Korean dress, told of the ancient culture of Korea as well as the ultra-modern current society. One very interesting item was about the construction of a work of art called the "Sokkuram Grotto". This is a granite temple made with tremendous detail and precision that exemplifies harmony between science, art, and religion.

Next Meeting is at Marly's Restaurant in Wilton Friday November 5th.
