### **Guests/Visiting Rotarians**

### **Announcements**

1. **Thanksgiving Baskets** All those who were kind enough to agree to contribute item(s) to the two baskets should bring everything to the 11/19/10 meeting.
2. **Watch your email in-box for an important message from President Luis.**
3. **Need Editors for the Drummer** With Stephanie's departure and some other conflicts, we need a couple of volunteers to be Drummer editors. Trust me, it's easy, fun, does not take much time at all, and forces you to actually pay attention at meetings. The assignment rotation works out to be about once every 4-5 weeks. Please let Bill Glass know if you can help. The Drummer is an important feature of the club and we want to continue it.

### **Program**

Wilda Hayes (Executive Director) of Ann's Place ([www.annsplace.org](http://www.annsplace.org)) gave a terrific presentation on the progress of their new facility (our own Richard Kent is involved) being built on the Ridgefield/ Danbury town line. Ann's Place is "The Home of I Can" and is dedicated to providing hope for people living with cancer...the men, women and children who live each day with courage, and those who share their lives. Over 700 people are helped each month. Our club is a contributor to the project

**Next Meeting is at Marly's Restaurant in Wilton Friday November 12th.**
