### Today's Program

Luis introduced Jorge Santizo, missions director for the Promised Land Ministries (PLM), a non-profit Christian inter-denominational organization established in Guatemala City, Guatemala, "committed to bring the light of Jesus to all people." Founded by Jorge's parents, PLM serves and ministers to the children around Lake Atitlan through Spring of Hope Mission. Spring of Hope has a feeding program, a public school sponsorship, Promised Land School, bible classes, tutoring, and a medical clinic. All of these programs are designed to improve the physical, mental and spiritual lives of the children. Jorge provided us with an update on the ministry via an excellent PowerPoint presentation.
