Today's Program

Today, Zelig Pforzheimer, updated everyone as to goings-on at The Wilton Playshop. The mad cap musical set in 1920 and winner of 5 Tony Awards, "*The Drowsy Chaperone*", opens February 15, 2013. According to Zelig it's a *family friendly* show and will be great entertainment for a group.

The Playshop thespians will also be putting on a production of a life-affirming, loving play entitled "*Enchanted April*". If you're looking for something not so family friendly, Zelig says *this performance revolves around two women whose marriages have plateaued so they rent a villa in Italy with two other women*. The show will open April 26, 2013.

The Wilton Playshop opened in 1937. The Wilton Rotary Club has supported the Playshop through financial contributions and members' time and effort in maintenance and clean-up projects. For tickets and information please visit www.wiltonplayshop.org.

Next Lunch Meeting: December 14, 2012.
