Our 31st Year of Service!

December 20, 2013

Vol. 33, No. 24

Editor: Bill Meehan

Twenty-two Rotarians including Assistant District Governor John Hendrickson swizzled eggnog and exchanged holiday gifts while the holiday season ramped up to a fever pitch.

Announcements:

With grab bag gifts awaiting, the announcements were few and to the point.

1. ADG John reminded the members of the deeds that can be accomplished with the assistance of foundation grants. Foundation grants are made possible by the generosity of member foundation donations. John asked that we keep the foundation in mind when making gifts during this holiday season.
2. Pat and Paul announced that plans are moving ahead for the February 25, 2014 fundraiser at Marly's to assist Typhoon Haiyan reconstruction efforts. During the fundraiser, all gratuities will go to relief efforts. Stay tuned for further developments.
3. A huge turnout is predicted for the Club's annual holiday party. The party starts at 4:30 p.m. at President Paul's house, 239 Thunder Lake Road. President Paul now concedes he has no idea when the party will end but promised he will be going to bed right after service of the blueberry pancakes, cheese grits and bacon.

Program: Holiday Grab Bag

A merry time was had exchanging grab bag gifts. Inexplicably, nine out of ten gifts involved some form of libation. Go figure.

NEXT MEETING – Friday, December 27 at Marly's in Wilton
